## C'VILLE COMMENDS WATER DISTRICT

The Centerville Chamber of Commerce voted at Monday's meeting to send a letter to the Alameda County Water District urging a firm stand on an Irvington development's compliance with district policies and that no deviations be allowed for the Irvington Square water system installations. This letter would also commend the water company board for its stand in declining to make an exception in policy with regard to the Irvington development. The district's policy is that subdividers pay for lines within the subdivision.

Also passed was a recommendation to the Alameda County Advisory Board for the finishing of the freeway as soon as possible.

Dan Irwin, Gene Manning and Harry Weber were named to a committee for the gathering of material for industrial promotion.

LeRoy Brown asked that all residents of Centerville who wish to make suggestions regarding final action on the community's zoning map be asked to attend today's conference between the Alameda County Supervisors and the county planning commission.

The meeting is scheduled for 10 a.m. in the supervisors office, Brown said. The board is expected to take action on July 1.

The Centerville Chamber is divided in its stand on several specific proposals for local zoning, Brown said. One of the controversial issues is the extent of commercial zoning; another, the matter of lot size in housing developments.

## PANEL DISCUSSION FOR C'TY COUNCIL

Mrs. Bruce Michael of Warm Springs, president of the Council of Southern Alameda County Communities conducted last week's meeting at a luncheon at Eden Congregational Church, Hayward. To almost 100 council representatives, Mrs. Michael reported that the recently formed Washington Township Parks and Recreation Committee had had the endorsement and help of the council. The council had also supported the new anti-loitering ordinance, and had written letters and sent representatives to the Board of Supervisors to pass the garbage ordinance which prohibits burning.

A five member panel, moderated by Dr. Harold Schoenfeld discussed the problem, "The Challenge of Tomorrow for the Council of Southern Alameda County Communities." The speakers were: Jack Rees, president of the Hayward Chamber of Commerce; Dr. Selmer Berg, campaign chairman of the East Bay United Crusade; Noyes Collinson, executive secretary of the Federation of East Bay Community chests; Stephen Thiermann, executive director of the American Friends Service committee, and Kenneth Norris, director of the consulting service, Coro foundation.

## RIBBON CUTTING TO MARK EVENT

# New Warm Springs-San Jose Freeway to Open Tomorrow

Even the new Warm Springs fire truck will be showing itself off on Friday... there is cause for celebration and the public is invited to meet at Warm Springs Junction tomorrow at ten thirty and drive down the new freeway and witness the ribbon cutting ceremonies that open another important link in the Bay Area freeway system — the \$4,843,000 section of the Eastshore Freeway from Warm Springs Junction to San Jose.

The completion of this 9.3 mile unit will afford an important measure of relief to traffic on Highway 17 between San Jose and Oakland.

The official ribbon-cutting ceremony, under the joint sponsorship of the Oakland-Warm Springs-San Jose Chambers of Commerce and the Alameda County Highway Advisory Committee, will take place at 11 a.m. at the Alameda County-Santa Clara County line.

The ceremony will be officiated over by members of the California Highway Commission and Department of Public Works from Sacramento and San Francisco.

On the arrangements committee are: Barney W. Booker, assistant State highway engineer, District Four; Chairman Harry Bartell and Vice Chairman Dudley W. Frost of the Alameda County Highway Advisory Committee; President Bruce Michael of the Warm Springs Chamber of Commerce, Charles Venturi, Mrs. Jessie Goasen; W. A. Sparling, secretary of the Alameda County Highway Advisory Committee and general manager of the Oakland Chamber of Commerce; Chairman Chester E. Stanley of the Alameda County Board of Supervisors, Mayor Clifford E. Rishell of Oakland and Manager Russell Pettit of the San Jose Chamber of Commerce.

Constructed to full freeway standards this modern, divided four lane facility includes traffic interchanges at Brokaw Road, Trimble Road and Alviso Road. Other structures on the project are bridges across Coyote River, Penencia Creek and underpass at the crossing of the Southern Pacific and Western Pacific tracks at Warm Springs.

The project was constructed in two units. The first contract was completed last year by Frederickson & Watson Construction Company and M&K Corporation at a cost of \$1,235,000 for a 1.1 mile length from Brokaw Road to Trimble Road. This project included the interchanges at each end as well as the bridge across Coyote River.

The work on the second contract which has just been completed has been done by the Granite Construction Company at a cost of \$2,758,000 for the 8.2 mile distance.

The cost of right of way for the entire project amounted to \$849,000, thus making a total cost of \$4,843,000 for the completed facility.

The southerly terminus of this section is temporarily connected to the Bayshore Highway with a signalized intersection near Gish Road. A future cloverleaf at this location will provide for the inter-

change of traffic between the Bayshore and the Eastshore Freeway and the proposed connection to the Los Gatos to Santa Cruz Freeway.

On the northerly end of this route previously completed units of

the Eastshore Freeway extend from Oakland to Mount Eden. Scheduling of construction for the fourteen-mile gap on this route from Mount Eden to Warm Springs is dependent upon the availability of future highway funds.

Glamorous California State Fair models take a look into the future as they open the chrome steel time capsule which will be entombed on the fairgrounds when the State Fair celebrates its 100th anniversary September 2 through 12 in Sacramento. Left to right are Irene Aaker of Ft. Bragg, Donna Rea of Alameda and Diana Herkomer of Sacramento, all student nurses at Sacramento County Hospital.

## HARVEST WORKERS TO REGISTER

Jobs for men and teenagers with work permits will be available shortly in Alameda County in the snap-bean and apricot harvest, the Irvington Labor office says. Men experienced in short-hoe stomp labor are needed now, and experienced cucumber pickers will be needed shortly.

Job seekers should register now, before work starts, at the State Labor office, on Highway 17, opposite the Irvington Post Office.

Color picking of apricots is beginning now on a limited scale, and canner picking is expected to get under way after July 4, if weather stays warm.

Demand for snap bean pickers will be heavy within the next ten days. Wages quoted for this is 60 to 65 cents per 30 lb. hamper. Pickers must furnish their own transportation, and growers are slow to hire teenagers unless accompanied by an adult.

Growers are asked to notify the labor office early at Irv. 267. Hours are 8 a.m. to 5 p.m. Monday thru Friday.

**OFF TO CAMP** — Pfc. Richard E. Gillett of the Marines 1st Air Delivery Company at Moffett Field, received his promotion warrant and will attend the fifteen day summer camp with his unit from July 10 to 24 at Camp Pendleton, Oceanside. Pfc. Gillett lives in Centerville.

## NEW BRIDGE FOR IRVINGTON

A letter from the Board of Supervisors to the Irvington Chamber of Commerce, advised them that a new wide culvert type bridge will be constructed at Roberts and Vine before the end of the year. The present bridge has caused many a temper to flare up as it is only wide enough for one car.

## No Quorum No Meeting

Lack of a quorum again cancelled a meeting of the Washington Township chamber of commerce Monday.

Although reminder cards were mailed to members of the organization, only a handful were present for the scheduled meeting.

Manuel Hidalgo, president announced that there would be no further attempt to hold a membership meeting until Sept. 27.

## Plans For New Motel

John J. Calcagno, former half owner of the Central Chevrolet Co., Centerville, has announced plans for building a restaurant, bar and motel on highway 17, approximately a quarter of a mile north of Warm Springs Junction. The bar is presently under construction, and will be completed in about 60 days.

## Prefers Centerville

While a guest on the Sandy Spillman show in San Francisco last Friday, Mildred Gagos of Boulder, Colorado told Mr. Spillman that she preferred Centerville to Hollywood, where she had just spent a few days.

Miss Gagos is visiting her sister, Mrs. Dale Gittings, of Blacow Road, Centerville.

## NILES MAN WINS CAR, SUIT

Superior Judge W. W. Jacka Thursday not only declared Morris Stapleton of Niles winner of a fine new automobile, but also winner of a suit he brought to collect his four-door prize.

Award went against J. E. Landrum and H. J. Mullen, who promoted a food market contest her last year in which patrons were given contest stamps for merchandise bought at the stores and extra stamps for saleable junk contestants turned in.

Stapleton complained that after he won the contest, the promoters had a falling out and refused to give him the auto.

Defendant Landrum, who declared he was the one who had contributed \$2500 to buy the car, said he withdrew from the operation after he claimed Mullen had violated their working agreement, and he impounded the auto.

Judge Jacka ruled Stapleton was winner of the contest, had performed in good faith all conditions of the competition, and was entitled by law to the car.

Landrum now resides in Long Beach, and Mullen out of California.

## UNITED CRUSADE LEADERS MEET

The workers of the United Crusade met for lunch Tuesday at the International Kitchen to meet the new field representative for Southern Alameda County. Washington Township Crusade chairman, Don De Forest, introduced Mr. William Southworth, who is replacing Miss Ann Ford. Also with Southworth was Mrs. Pat McCauley, Public Relations chairman of the Oakland office.

Southworth and Mrs. McCauley stressed the importance of keeping the crusade drive in each community tied in with local agencies and interest.

Of equal importance was the revelation made known by two national magazines recently about charity chiselers. There has been much unfavorable publicity for the legitimate charities of late, because of the black mark made by "racketeers". People are wondering now if one can be charitable and not be labeled a "sucker".

They feel that one way to stop this infamous practice is to support the United Crusade, which is a legitimate organization and meets all standards of the National Information Bureau.

Meeting with Southworth, aside from De Forest, were the committee heads for the Township campaign; C. G. Dubuque, Oscar Dowe, Harley Bradley, Pete Juhl, Maurice Marks and Mr. and Mrs. Bruce Michael.

## BRADLEY TO TAKE ROTARY GAVEL

Harley Bradley will assume the office of president of Niles Rotary club at today's regular luncheon at International Kitchen. Picking up official duties also will be:

Richard Nicklasson, vice president; William Helm, secretary; D. A. Gildersleeve, treasurer; and John Ratekin and John Brahmst, directors.

Bradley will also announce committee appointments for the year.

Nicklasson and Elwood Johnson will report upon the recent convention in Seattle which they attended.

## REGISTER ROBBER PLEADS GUILTY

James Harold Cecil, 18, pleaded guilty Tuesday to charges of theft in Judge E. A. Quaresma's court. Cecil was arrested last week for alleged theft of the cash box and contents belong to the "Township Register".

He was certified to Alameda County Superior Court for sentencing.

## TOWNSHIP "GUARDSMEN" ARRIVE HOME SATURDAY

(Special to Washington Township Newspaper)

**CAMP HUNTER LIGGETT** — Tanned and "savvy" after a two week's taste of Army life at this National Guard training post, seventy Washington Township youths will leave Saturday for their homes.

The Guardsmen are members of C Battery, 629th Field Artillery, located in Centerville. They will arrive at their Alder Avenue armory about 4 p.m., travelling in their 23-ton trucks and towing their 105-millimeter Howitzers.

The men of C Battery also will bring a new mascot to the Armory — a huge golden eagle captured by their administrator, Warrant Officer Tanjore E. Splan. The fierce bird was wounded and helpless after an encounter with a pair of hawks, and Splan hogtied it and brought it back to the battery. He intends to train it for hunting purposes.

On Wednesday, the local cannoners climaxed their year of training by taking part in battery tests designed to show how much they have learned. The tests are exact duplicates of those performed by the Regular Army, of which the Guard is a reserve component. They follow in realistic style the work done by artillerymen from the moment the enemy is sighted until he is destroyed by accurate shelling.

The hot spell which plagued the Hunter Liggett trainees during the camp's first days had vanished by the end of last week, leaving weather which, while warm and dry, was never uncomfortable. Men slept under as many as three blankets most nights, wolfed down hearty breakfasts and suppers unhampered by heat.

On Saturday, the 49th Division, of which C Battery is a part, played host to Gov. Goodwin Knight at a review featuring an impressive display of armed might. Massed columns of infantry strode past the reviewing stand, and C Battery towed its cannon just ahead of a rumbling herd of heavy tanks. Several Township families were visitors, taking advantage of the weekend "break" in training to see how their sons and husbands live in the field.

For instance, Mr. and Mrs. George Rogers of 153 Joseph St., Centerville, stopped in to see their son, Pvt. George Rogers Jr. So did his aunt, Mrs. Ida Rogers of 182 Central Avenue.

"I just wish he'd write more often," said the GI's mother.

Representing local chambers of commerce was Dan Irwin of Centerville, who likewise inspected the camp with Mrs. Irwin. They were served a luncheon of fried chicken "and trimmings" by three messmen: Pvts. Robert Prusso and Gus Holcomb of Irvington, and Pvt. William Tolley of Newark. Irwin said he was impressed with the training given the local men.

After the review, Guardsmen scattered to nearby beaches for recreation.

Next Tuesday the battery will skip its regular drill here to give members a chance to rest up after rigors of life in the open.

## Bieler's Vacation

Mr. and Mrs. Henry Bieler and children, Betty and Jimmy, have returned to Alvarado after a week's vacation in Chico.

Senior Ball Pictures in last week's paper were by Ker Foster.

## HOLIDAY WEEKEND SAFETY POINTERS

A four point program by which a motorist may improve his chances of coming unscathed through the approaching three-day Fourth of July week-end was outlined today by the California State Automobile Association. The four points are:

1. Do not plan too ambitious an outing, so that you have to drive too fast or too far.
2. Start early enough to reach your destination without hurrying or fighting traffic.
3. Do not drive when over-tired or sleepy.
4. Remember that a large part of the congestion which always develops on the highways over a long week-end is caused by motorists who are not thoroughly accustomed to highway driving and highway speeds, and drive accordingly.

"Long week-ends always put an abnormal load on our highways," says the CSAA, "and naturally the heavier traffic increases the accident hazard, but many mishaps, injuries and even fatalities could be avoided by restricting the mileage to be covered, avoidance of hurry, getting off the road when reactions and vision are impaired by weariness and, especially, by remembering that not everyone can drive as well on the highway as he does in town."

## Mother of Rose

### Gould Dies

Mrs. Sara Ann Moffatt, 73, died at her home in Oakland Tuesday. She was the mother of Mrs. Rose Gould, secretary to the Sheriff's department, in Centerville. She is also survived by two sons, Robert Moffat of Carmel, and George Moffatt Jr. of Oakland.

July-Iced-Tea-Menu-Of-The-Month

The Iced-Tea-Menu-of-the-Month is designed for a family of 6 and provides 374 calories per person at a cost of approximately 33 cents each. In line with the July trend of picnic meals at home, on the terrace or in the back yard, the iced-tea-menu for this month recommends using convenient paper plates for the following menu: Barbecued Frankfurters, Kraut and Pea Slender Potato Chips, Strawberry-Apricot Surprise and iced tea with a slice of orange.

Iced tea, sweetened with a non-caloric sweetener, leads as the most popular low-calorie summer beverage. The following tells its own story.

Beverages	Approx. No. calories per 6 ounces
Iced tea (unsweetened)	4.0
Iced coffee (unsweetened—without cream)	11.0
Sugar-free carbonated beverages	18.0
Beer	59.0
Cola beverages	82.0
Lemonade, frozen	86.0
Carbonated, fruit-flavored beverages	91.0
Grape juice	111.0

To make about 10 servings of iced tea, pre-measure 5 tablespoons loose tea (or 15 tea bags). Bring 2 quarts fresh water to a full rolling boil in a saucepan. Remove from heat. Immediately add tea. Brew, uncovered, five minutes. Stir and strain. Serve in ice-filled glasses.

Menu-of-the-Month Recipes

**Barbecued Frankfurters:** Dissolve 1 tablespoon rich prepared mustard in ¼ cup cold water in a saucepan. Add ½ teaspoon salt, 2 non-caloric sweetening tablets, ¼ teaspoon chili powder, ¼ teaspoon garlic salt, ¼ teaspoon cayenne pepper, 1 teaspoon minced onion, ¼ cup water. Stir thoroughly. Blend in ½ cup catsup. Cook over low heat till thoroughly heated and blended. Serve over 6 grilled hickory-smoked, all-beef frankfurters which come packed in brine in a glass jar. Serve with crisp potato chips.

**Kraut and Pea Slender:** To make low-calorie salad dressing, drain juice from 1 #2 can sauerkraut. Heat ½ cup kraut juice to boiling. In the meantime, combine 1½ tablespoons cornstarch with ¼ cup cold water. Blend. Add to sauerkraut juice. Cook over low heat, stirring constantly until thickened. Add one tablespoon oil, 1½ tablespoons brown sugar, 1 tablespoon rich prepared mustard, 3 tablespoons chili sauce, dash of ground cloves, ¼ teaspoon garlic salt. Beat till ingredients are well-blended. Cut sauerkraut in short lengths. Combine with 1 #303 can peas (drained), 1 cup diced cucumber, 1 medium size diced tomato and ½ cup chopped water cress. Add salad dressing. Toss lightly.

**Strawberry-Apricot Surprise:** Dissolve 1 package strawberry flavored gelatin in one cup of hot water. Drain one can (8 oz.) dietetic apricots, measure syrup from canned fruit adding enough cold water to make one cup. Stir into gelatin. Chill until slightly thickened. Arrange apricot halves in an 8-inch mold. Add gelatin. Chill until firm.

TOWNSHIP TOPICS

By HARRIET GITTINGS

This Week's Question: Do you think Washington Township should have one centrally located recreation center, or should each town operate its own?

"I think every town should have their own." Mrs. Cora Campbell, P.O. Box 657, Niles.

"I think each school should have their own. In fact, each school and each town should have one." Mrs. Aletha Kain, Masonic Home, Decoto.

"One main one would be nice but how would they get to it?" T. R. Ramos, 209 Whipple Road, Decoto.

"I think they ought to have it for the whole Township." Don Querner, Irvington.

"I think each town should have their own." Emil Martin, 436 Sterling Drive, Centerville.

"I think each town should have

its own center." Mrs. Agnes Martin, 400 3rd, Niles.

"I think that each town should have their own. Kids are much better off closer to home than traveling several miles to a recreation spot." Mrs. James F. Woods, 631 9th, Decoto.

"I think it would be kind of nice to have it for the whole Township." Mrs. J. O. Kleine, 357 South Main, Centerville.

"Either way is a good thing, but each to have their own would be better." John Ziebarth, 774 Jenner Street, Newark.

"In a way, a nice recreation center for the Township would be nice." Mrs. Edith Pine, 900 2nd, Niles.

"I think that they should have one good one." Mrs. Emily Dewey, Niles.

You can have a real vacation from ironing if you'll get several of the very attractive Dacron blouses sold at Mildred's Lady's Apparel, on South Main, in Centerville.

Keep cool, and be in style too. See the shorts or pedal pusher and halter separates now on sale at Kirkish's Department Store, Centerville.

For complete lawn mower and garden tractor service, including pick-up and delivery, contact William N. Box at the corner of Decoto Road and 10th Street, Decoto.

Have you tried a chili-burger? The place to do so is Ann and Ed's, North of Decoto on Highway Nine. They're very tasty.

It's easy to make that old watch look new. Just get one of the many types of watch bands sold by Hoyle Easley in his Jewelry Store in Niles. Prices start at \$2.00.

Why not trade in that old refrigerator for a new eleven cubic foot electric Servel? It may be worth as much as \$200.00 at Brown's Furniture Company, in the Niles Theater Building.

Right now is the time to get your American Optical Polaroid Sun-glasses for only 69 cents at the Newark Pharmacy. Your choice of five colors in frames, too.

Not only can you still get half-gallons of Frosty for fifty-five cents

FILE NOW FOR FEDERAL JOBS

"Now is the time to file for Federal jobs expected to open in July," Ethel L. Mears, Acting Regional Director of the United States Civil Service Regional Office in San Francisco stated today. "Experience has shown that with the start of the new fiscal year, Federal agencies find it possible to fill vacancies to meet their employment needs, and so Federal hiring is expected to increase throughout California and Nevada."

Vacancies in the most critical categories are post office clerk and carrier positions in many post offices, and shorthand reporters, for which no experience is required, dental hygienists, cartographers, engineers, engineering aids, draftsmen, physicists, physical science aids, office machine operators, and accountants, Mrs. Mears said. The Regional Office in San Francisco is accepting applications for all these positions.

Information on where to obtain application forms may be had at the post office.

##### Confraternity Hears Need for School Tax

Robert Lamp, Newark school teacher, spoke to the members of St. Anne's Confraternity Wednesday evening on the need for increasing the school tax from the present 92c rate to \$1.20. Additional funds are necessary to operate the school because of the greatly increased enrollment. A specific need is a new bus; the old school bus purchased in 1943 is worn out, and unless it is replaced, bus service next year will be greatly reduced.

Rev. Vincent O'Sullivan reported on the success of the St. John's Day celebration. Father O'Sullivan is serving at St. Edward's, while the pastor, Rev. Thomas P. Gilbert, is on retreat.

The Confraternity will not meet in July. Chairman of the social committee for the August 25 meeting will be Frances Savaria, assisted by Mary Meneze, Elizabeth Milani, Lorraine Montero, Mary Montero, Delia McNulty, Marie McNulty and Mary McDermott.

## MISSION SAN JOSE

By TEDDY PEREIRA

Sorry little Linda Stotts that you had to remind me to put it in the paper that you had those "tonsils and adenoids" removed and that you were such a good little girl about it.

It just seems like we can never keep Elsie Souza with us for long as due to her health Elsie will not be at Helen's Fountain Lunch. We'll miss her cheerful presence.

Surely Octavia Young had a lovely birthday. Her daughter, Naomi Crume of Niles had a super outdoor patio dinner in honor of her mother.

Brother, what a neat '54 Lincoln we see Bob Gallagay cruising around in these days. Surely beautiful.

Vacationing in Utah and throughout the mid-western states are Merv and Barbara Santos. Mrs. Helen Santos, Merv's mom, was to have accompanied them but became ill.

Glad to see you up and around again John Hanley. Hear you met up with a bad case of the flu.

The Stuart McClures and family are now here from San Francisco where they will enjoy the summer at Stuart's mother's peak home.

And that smile you see on Ed

Chambers' face is because his son is spending part of the summer with him from Lomis.

Real fun for these gals, Marveen Lofton and Madeline Quaresma as they took in the best theaters in San Francisco, not mentioning the excellent dining places.

Down the valley went Frank and Faye Castro for a couple of well deserved days of rest.

After a two-weeks vacation our lovely Mission gift shop is now open for the season.

It was surely a sad day for Chet and Maude Holtz when their beautiful hunting dog was critically injured by a truck. Same truck killed another little pup and we felt as equally bad for the two little boys whose pet it was.

Newly elected officers of Council No. 16 Mission San Jose U.P.E.C. will be installed at the July 9th meeting, to which all members of the Order are invited.

Mrs. Sue Fonseca will succeed Mrs. Mae H. Davilla as President. Serving with her is Mrs. Mary Rodriguez-Dean. Other incoming officers are Mrs. Anna Henriques vice president; Mrs. Jessie L. Perry, secretary; Mrs. Caroline E. Peixotto, treasurer; Mrs. Eleanor J. Furtado, mistress of ceremony; Mrs. Ida L. Santos, marshal; Mrs. Beverly M. Amarant, Guard; Mrs.

Clara Nixon finally realized her eyes didn't deceive her the other night; there really were 12 Black Angus cows on the lawn staring at her. They had strayed from their pasture at Huddelston's the result of someone leaving the gate open.

## TOP PITCHER BACK FOR V.F.W.

By BOB HIRD

Heading towards the last week of the first half, the Washington Township Softball League has only one team undefeated, Wedgewood from Newark.

This past week saw the return of one of the top pitchers of the area, Vernon Vargas, who pitched and batted V.F.W. to a 7-1 win over previously undefeated Warm Springs. The loss for Warm Springs was also the first defeat suffered by pitcher Ted Garcia. Vargas set Warm Springs down with a total of two hits, one being a home run by Joe Gonzales in the last inning.

In the night cap on Monday, Cabrillo Park handed Orangeburg Mfg. Company, a 14-3 setback with pitcher Ken Hood getting the win.

Tuesday evening saw U.S. Pipe taking the measure of Kraftile 6-1 in the opening game, U.S. Pipe

pitcher set Kraftile down with a total of two base knocks while his teammates were getting a total of 10 hits.

In the nightcap, Wedgewood continued their winning ways by hammering out a total of 12 base hits for a 10-2 victory over Quality Meats of Niles. Gene Johnson set Quality down 3 hits for their evening's work. Wedgewood displayed too much power at the plate for the Niles entry.

Thursday evening saw one upset and a near upset. In the opening game, V.F.W. and Quality Meats met in a pitcher's duel with Vernon Vargas and Ray Orta each giving up a total of three base hits apiece. Starting pitcher for Quality, Ralph Vilcasaz, had control trouble in the first inning, giving up three runs on 5 bases on balls and one hit. Orta replaced Vilcasaz and kept V.F.W. in check except for one run in the 4th inning. Quality Meats had a rally going in the 6th inning that produced 2 runs and left the bases bulging with runners. The score was 4-2, V.F.W.

In the nightcap, Orangeburg gained their first victory of the season with a 10-6 upset win over Kraftile. The acquisition of a new

## Kiwanis Sponsor Little League

The Newark Kiwanis club will sponsor the little league hardball team of the Recreation District, and supply the players with shirts and caps. The boys will have a watermelon feed at Hidden Valley July 13.

Instructors in the district's swimming program are Carolyn Eicher, Kelvin MacMurrough and Darrell Correia.

The most recent innovation in the recreation program is Friday night movies. Scheduled for July 2 is "Mara Maru"; July 9 "Anne of the Indies"; July 16 "Call Me Mister"; August 6 "Margie"; August

13 "Baron of Arizona"; August 20 "Mr. Belvedere Goes to College"; August 27 "Mother Was A Freshman." There will be a cartoon with each feature.

The movies will be shown in the Newark School auditorium at 7 p.m., with an admission fee of 15c. ## TOWN TID-BITS

By Pat Binder

Cook of the week is Jessie Kveseth of Newark. She is a native of Michigan, has lived in California since 1937 and in Newark four years. Jessie and her husband Carl live with her daughters family, Paul and Barbara Snowden and their children Shauna and Paulette. Carl is employed with radio station K G O. Jessie is a charming and vivacious hostess and with many other talents is an excellent cook. She gave us her recipe for English pasties.

Recipe for English pasties:  
2 medium potatoes  
1 dry onion  
1 skirt or flank steak (cut into small pieces)  
pastry

Pre heat oven to 450 degrees. Prepare pastry as for pies. Divide into two large or three small portions for two large or three small pasties. Take each portion of pastry and roll out about six and a half inches in diameter. Place thinly sliced potatoes (one medium for each pasty) on one side of pastry so remaining pastry can be rolled over filling. Add two slices of onion to potatoes and salt slightly. Add about three tablespoons of meat. Add two more slices of onion and salt and pepper. Dot filling with two or three pieces of butter or margarine and roll pastry, crimping it tightly to keep juices inside. It will look like a large apple turnover. Place in pan and cook one hour. When pasties are brown decrease heat to 400 degrees for remainder of hour. Jessie recommends the pasties be served with a garden salad. She also reported the pasties are ideal picnic dishes.

## Holiday Weekend

Mr. and Mrs. John Talley and Mr. and Mrs. Vic Hescher of Niles will be Fourth of July weekend guests of Mr. and Mrs. W. F. Greeno of Livermore at their mountain cottage above Strawberry Lake near Sonora.

## Silver Star Rebekah

Zetta Rohrbacher, Elizabeth Mendenhall and Edna Hescher are on the social committee for Friday's meeting of Rebekah Silver Star. The Friendly Sewing Circle will have a picnic next Thursday, July 8, in the garden of Justine Adams' home in Irvington.

I wonder how long it takes for our Township rural mailmen to learn to drive with their left hand, while sitting on the right of the front seat?

Not all women are un-able to keep their check books straight. A Mission San Jose home-maker says her checks balance each month, unless her husband writes one without telling her about it.

At last I've put an end to the "ok" answer I get from my favorite teen-ager when I list breakfast suggestions. I served all four to him, and he had pancakes, waffles, eggs, and cereal. He now states his preference quite clearly.

Just because it's summer is no excuse for neglecting to go to church. I'll see you there next Sunday.

D you ever start to answer your own door bell after hearing one just like it on T.V.? I do.

A Centerville man says he's certainly glad his daughter is finally old enough to pin the hems into his wife's dresses. It's been his job for years.

Recently when her four children were visiting, and her radio was out of order a Los Ranchitos mother came over to visit me: she couldn't bear the dearl quiet at home.

I keep a box of paper clips handy and use them often, for marking a place in a favorite recipe book or to bring order to my stack of un-answered mail.

I wonder how many others besides my youngest noticed the bird's nest inside the Home

## ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set. Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

Economic Building at the County Fair?

How my children envy the neighbors of the man who purchased over six dollars worth of "sparklers" for the kids in his area!

Firecracker time is here again and I'm sure you know they are illegal, and will see to it that these dangerous "toys" are kept out of your youngsters hands.

Well, one Newark mother is still angry at me because I stopped my car and took her little boy and his trike out of the middle of the street onto the sidewalk. I only hope a speeding truck doesn't turn the corner and fail to stop in time to miss the little two-year old.

A Centerville woman says she had an out-of-state visitor last week who was told when he tried to buy a bus ticket there was no such town listed in California. Get busy, Chamber of Commerce.

There are still several days left to see the Alameda County Fair, so why not all attend? Remember, it's one of the last "no admission" shows in the state.

Sight of the week was one I saw in Irvington. The carpenters working on the new house were seated eating lunch in the soon-to-be dining room.

Onions to the Township stores who tolerate dust on their display merchandise, and orchids to the progressive merchants who continue to improve their stock and services.

So long...

## 'CAINE MUTINY'

OPENS JULY 5 IN S.F.

Paul Douglas returns to the footlights for the first time since his tremendous stage triumph in "Born Yesterday," in Paul Gregory's National Festival Company presentation of Herman Wouk's play, "The Caine Mutiny Courtmartial."

It is also a return engagement to Randolph Hale's Alcazar Theatre for the play which, during the course of its previous smash hit run, was compelled to turn thousands of people away who had neglected to send their mail orders in when the play was first announced.

Paul Douglas, who portrayed a brusque, ruthless businessman in "Born Yesterday," is called upon to bring to life a startlingly different character in a Naval officer believed to be on the point of mental illness in "The Caine Mutiny."

## CAROLLING AROUND NEWARK

JEANNE & GENE CARROLL  
NEWARK 3-3564

July 20 is a Friday and a red letter day for Newark as the Elementary School District will seek a nominal tax rate increase of 28 cents per \$100 assessed valuation to supply necessary funds to operate the school with its present curriculum and activities. Construction of Newark's new secondary school should be underway before too long, but it won't be completed until late spring of 1955 so the present plant will be more and more strained to carry the load. The Board of Trustees need more revenue to meet the obligations of the district and maintain a full curriculum with all the present services. We urge you to remember July 20 and VOTE.

The Recreation District has acquired the use of the present location of the Newark Furniture Company as a community center when it is vacated by the present business. Quarters at the school are expected to be pinched this fall and rather than drastically curtail or drop activities the trustees acquired the new center according to Director Robert Lamp. He said that "the move is expected about August 1st" and at that time another beginners folk dance course of 8 weeks will be offered to the adults.

Speaking of the Recreation district gives us the inspiration to compliment the trustees and the staff on a really complete and ambitious summer program. It is a little surprising that so few children in the 12, 13 and 14 year old group have availed themselves of

the swimming program at Hidden Valley . . . there is nothing better than a good dip early in the morning. The younger swimmers, 7 through 11 have been receiving instructions at the Patterson ranch pool and even on the days the bus was broke down they reached the swimming pool with parents and recreation leaders furnishing transportation.

There is arts and crafts for children and adults, dancing for teenagers and adults, baseball for all ages and lots of special events lined up to make the summer eventful. The opportunity for fun and entertainment is provided by the recreation program and the leaders . . . your participation is what will make it fun for YOU. Oh yes! There will be a regular movie at the school every Friday night with a nominal admission fee. Mara Maru is the bill for July 2.

The Township Hornet Club met at Nolan Ezra's home last Friday and started plans for a dance in the near future. An initiation fee of \$5 will be required of all new members after July 31. Any young men interested in hot rods are welcome to contact George Stout, Newark 3-3959 or Jack Slater, Newark 3-2016.

The eleven members have acquired a new set of tools and are busy working on the club project to convert the 1935 Plymouth Special Club Coupe, owned by the club chairman, Jim McNulty, into a dragster.

On Tuesday, June 22 Mrs. Marie Wright, Mrs. Katharine Eacret, Mrs. Evalene Rogers, Mrs. Dorothy Carpenter and Mrs. Helen Kahler attended the Seven County Deputy Association meeting of the Order of Pocahontas at the Eagles Hall in Alameda.

Mr. and Mrs. Ed Maughan and family enjoyed a week of camping out in Sequoia and had lots of company as the Boy Scouts accompanied them on their vacation. LeRoy Brown went with them and helped with supervision so it was a relaxing week for them all. It is really bending over backwards to be a good scout when a Scoutmaster and assistant Scoutmaster (LeRoy) will take the Scout Troop with them on their personal vacation . . . they deserve a good time. Bob and Mary Joe McGinnis took

Marta and Robin to "Grandmothers" last weekend and grandpop was there too. Mr. and Mrs. William McGinnis, Bob's folks, enjoyed having the "kids" around their Concord home.

Mrs. Geraldine Darr of Aurora, Illinois has been a welcome visitor around these parts for the past month visiting her mother, Mrs. H. Martin, brothers Frank and Edward and sister, Mrs. Dave (Ann) Hernandez. Geraldine will be leaving for home on July 4.

Cpl. Arnold Silva graduated from Leadership School at Fort Ord last Saturday, which incidentally was his birthday too. Arnold will possibly remain at Ord for some time training new men. Travelling down to see him Saturday were his parents Mr. and Mrs. J. A. Silva and family and Mrs. Lena Caldeira.

Here and there in the information barrel we see bits of news we can tie together with dots and dashes . . . like f'instance, Albert Alberts Jr. being home with his orchids as he rests up from the arduous task of giving teenagers a year of learning at McClatchy High in Sacramento — who sez teachin is easy? Or learning? . . . We see Luther Haynes is making his home with Orville and Mary Haynes these days having moved over from Sunnyvale to "friendly" Newark.

Now lets zig and zag thru some zenzational bits, like f'instance . . . Buford Barks taking half of his half dozen daughters, Janice, Peggy and Shirley plus Kay and Carlene Hersey and Jerry Jackson to the County Fair last Saturday . . . You should have been there too, or were you? . . . Then we hear where Lillian McDermott, Den Mother for Den 2 took her Cubs to Hayward Park for lunch and hiking last Thursday . . . And Marie Wright is in fine voice after an operation last Thursday . . . Good news reports Joe Caldeira is home now and doing fine.

Mr. and Mrs. Norton Walker and Mrs. Sally Goussakovsky of San Francisco were Sunday guests of Oleg and Ada Skaredorff.

Dr. and Mrs. Scatliff hail from Evanston, Illinois and were in San Francisco to attend the American Medical Association convention and it provided a wonderful opportunity to say hello as well as sight see.

Mr. and Mrs. Art Cotton are enjoying a welcome pair of visitors around their house these days as their daughter, Ruth and her "ever lovin", Pfc. John Lambert returned eastward in time to report in New Jersey on July 9 where John will await reassignment somewhere in the European theater.

The Necoma Theta Rho Girls Club had six young ladies take the initiatory degree at the Irvington Odd Fellows Hall in Irvington on Monday, June 21. The six newcomers were: Carol Bengt, Sharon Spooner, Diane Johnson, Audrey Adamson, Ray Mona, Bass and Joan Hallsworth. The club discussed summer plans which will keep them active.

Travelling north on a highway loaded with summer vacationists and weekenders were Mr. and Mrs. Lester Horn, Jimmy and Sandra, who headed for Eureka and a weekend visit with Lester's brother and family.

Mr. and Mrs. Manuel Maciel are proudly passing out the vital statistics of their new born son Mr. Stork delivered to them on Monday, June 14 at San Jose Hospital. The little fellow weighed six pounds and thirteen and one half ounces. The young lad was christened David Joseph in ceremonies performed by Rev. Thomas P. Gilbert at St. Edward's Church last Saturday. Mr. and Mrs. Tony De Valle of Warm Springs are David's godparents. The christening was followed by dinner in the Maciel home where big sister, Connie, age three, wants to help take care of David.

Mrs. Darlene Peters was hostess for a party in her home recently and the group of lovelies included: Mmes. Vi Worley, Irene Davis, Pat Pierce, Dorothy Ligon, Mary Joe McGinnis, Shirley Buschke and June DeKnoop.

George and Genevieve Tinsley escaped from our sunnys weather last week and took a complexion treatment in the fog of Monterey and beautiful Carmel. There should be something added to that, but we just can't think of the right words to finish the item now.

This is the place for shortie greetings and sometimes we are short of shorties and sometimes long on shorties but regardless of all the unnecessary chatter here, happy birthdays must be wished . . . to a charming young lady we know will be celebrating today and no doubt will be treated royally on this once a year day, happy birthday to Lillian Hildebrand . . . to Darlene Wilson who celebrates on the fourth, bang, bang zoom powwow, while the fireworks pop . . . to Paul Gyax who missed being a firecracker by a few hours and celebrates on the sixth . . . to Jeanne Meierdiecks as she did her celebrating on June 28 . . . to Joe Aschwanden, our accordion playing barber, as he squeezed by another year yesterday . . . to baby Robert Rose on his one candle day yesterday . . . to Steve Nevis who celebrated his sixth during a family picnic in Niles Canyon last Thursday . . . to Marlene Hernandez who celebrated her entrance into the fascinating teens last Monday . . . to Ray Marshall who celebrated his seventh birthday last week with a party with his little friends sharing cake, ice cream and games . . . to Johnny "The Chef" Freitas Jr. who celebrated on Wednesday and earned a celebration after the St. John's Day "sopas feed" he worked

so hard to prepare — real good too . . . to Johnny Montero who celebrated his fifth on Wednesday . . . to Serafino Mendes who had her one day of the year on June 23. Enjoying the Saturday afternoon fun were: Darla Reina, Diane Lewis, Barbara Taylor, Ann McConnell, Marilyn Maciel, Judy Ennes, Sharon Lee and her brother Michael.

Here is a little girl who got a tough break last week. Gail Miranda would like to learn to dance and do acrobatics like Jacque Walker and it was always a pleasure to watch her doing cartwheels and back bends etc. on her front lawn but that pleasant scene will be gone for awhile as something went wrong and little Gail broke her left arm last week. It will be in a cast for six weeks.

We are wondering if this couple can remember way back to the July 3 of 1933 when they made solemn promises at the altar; in case they have forgotten this will serve as a reminder to Marty and Kitty Sammon that Saturday is happy 21st wedding anniversary day . . . this twosome will have no trouble recalling their big day which was July 3, 1933 so Ed and Bonnie Bimemiller are making plans to celebrate their first anniversary.

Coming up this weekend is another three-day holiday over the 4th when we celebrate Independ-

ence Day . . . its okay to be independent but don't overdo practicing your independence on the crowded highways, remember your riders and all those people in the other cars are dependent on you . . . please drive carefully.

## STEADY DOES IT

America's foreign and military policy in the past half-century is best described as a series of hills and valleys. The hills come in sight when public emotions are aroused to defend the nation, as they were aroused in 1917, 1941 and again in 1950 with two world wars and in Korea. The valleys appear in between. Then public opinion becomes weary of climbing the hills of crisis, and longs for a return to the shallow pastures — and the television set.

Our enemies are aware of this national characteristic, and they never fail to take advantage of it. At present they estimate that our will to resist aggression overseas is low, due to (1) the end of the war in Korea, (2) the optimism spawned by talk in Washington about "possessing the initiative," and (3) the confident statements there that we can handle Red aggressors.

Such eyewash never deterred the Chinese Communists for a minute. They correctly gambled that we wouldn't fight for Dien Bien Phu. Then they pinned their further advances in East Asia on the reluctance of our French and British allies to "spread the war," (as though a war somebody else started could be fenced-in, like a chicken.)

Thus the storm signals are flying in Indo-China, just as they flew before South Korea was invaded four years ago. Still many of us go on dreaming of a secure world when Red armies are on the march. Great efforts and sacrifices may be demanded of our nation, simply to keep itself alive. This is the time for Washington to cease thinking of political advantage, to speak frankly. This is the time for the public to pay heed. This is the time to dedicate ourselves to a long, tiring struggle for survival.

We mustn't wait for another Pearl Harbor to jar us awake this time. Pearl Harbor may be in San Francisco Bay this time, and it may mean the extinction of every human life here.

## LINE OF LEAST RESISTANCE

Everything comes to him who waits, and we never realize this more fully than when waiting in line at a bank, market, or other public service.

Usually there are five or six cashiers' windows or checkers' stands. Quickly sizing up the situation, and rushing to make our lunch hour or dinner, we place ourselves behind the shortest line. But the shortest line isn't necessarily the straightest distance between two points. Two customers in front of us, the lady is buying a money order for Siam, or laying in the weekend vittles for a family of nine. At the neighboring window or stand, which we so cleverly scorned, several people have bought a carton of Coke, or cashed \$10 check, and are speedily gone, leaving the gent who came in behind us free to do his business and get out before we do.

In rising temper, we switch over behind him, but not before an old lady with hearing difficulties slides in to ask for advice, counsel, and a peck of birdseed or a small loan. Meantime, other customers slip in our old place, get their problems solved, and are on the way we could have trod had we been patient.

A long time ago, we learned Fate had marked us for a patsy in such things. Some folks have luck — we get fallen arches. On the strength of this, we quit playing the horses. We'd be a 3-5 bet to get to the wrong window.

Richard L. Rosenthal, president of Citizens Utilities Company, announced the establishment of the "Citizens Utilities — Joseph C. ## **PLATO PONDERED...**

● "Ignorance," said Plato  
"is the root of misfortune."  
Conversely, knowledge is a  
favorable factor. And our  
specialized knowledge has,  
indeed, served many of our  
friends in time of need.

We invite you to come to  
us when your Doctor hands  
you a prescription. Here,  
skilled Pharmacists will use  
only quality ingredients,  
checking each compounding  
step to assure accuracy. Yet,  
you will find our prices no  
higher than elsewhere.
